Partner With Us — Sponsorship Invitation

Pratappur Barowari Durga Puja Committee wishes to invite the patronage of all corporates and individuals. This is our **78th Durga Puja Celebration**, and we invite corporates and individuals to take advantage of this meaningful advertising opportunity.

Since 1948, the Pratappur Barowari Durga Puja Committee has been more than just a religious celebration — it has been a symbol of our love, heritage and unity. It is not only a time for worship, but also for forging new bonds and creating cherished memories.

For over seven decades, this tradition has been sustained through the blessings and goodwill of patrons like you. Your association with this festival will be a matter of pride for us and for the entire community — you will be remembered not merely as a donor, but as a valued member of our extended family.

Your organisation's contribution goes beyond branding — it is a social investment that brings smiles to thousands of faces, connects the younger generation with our cultural roots, and presents your brand as a responsible, respected institution.
